

Consent form for the use of photographs or video (Parents and children).

Faith Church recognizes the need to ensure the welfare and safety of all young people taking part in any activity associated with our organization.

In accordance with our child protection policy we will not permit photographs, video or other images of young people to be taken without the consent of the parents/carers and children. As your child will be taking part in **2015 yearly activities** to take place **on, about or away from the property** we would like to ask for your consent to take photographs/videos of the event or activity that may contain images of your child. It is likely that these images may be used as

- a record of the activity or the event
- in a written evaluation report of the activity or event that will be viewed by Faith Church
- publicity material for further activities or events on leaflets/websites/magazines
- illustrations of the activities or events in published articles
- future grant applications

Faith Church will take all steps to ensure these images are used solely for the purposes they are intended. If you become aware that these images are being used inappropriately you should inform Faith Church immediately.

We would be grateful if you would return this form to **Jay Collins, Children's Pastor** by the **December 31, 2015**.
